SECTION 1.1 INTRODUCTION

The following is the Agreement regarding hours, wages and working conditions between the City of Torrance and the Torrance Professional and Supervisory Association. Each section of this Agreement shall be considered in its entirety and subsections shall be considered only in the context of sections as a whole.

ARTICLE 2 - COMPENSATION PROVISIONS FOR 1987-89

SECTION 2.1 BASE PAY RANGE

a) Starting Pay Rates:

Original appointment to a class shall normally be made at the first step. Upon recommendation of the department head, and approval of the City Manager, initial compensation may be at a higher monthly rate within the range for the class, based either on the outstanding and unusual character of the employee's experience and ability over and above the qualification requirements specified for the class; or a temporary shortage of applicants for the class involved; and further provided that, in the latter case, all current employees in the same class involved who are receiving less than the new initial compensation rate shall have their rates of pay adjusted to such rate.

b) Step Advancement:

Base pay step advancement within a pay range shall be on the first day of the nearest pay period to the anniversary of each year of service, to the maximum step of the base pay range. Upon recommendation of the Department Head and approval of the City Manager, such step advancement may be accelerated where outstanding performance may justify. (Advancement to the next step following such accelerated advancement shall normally be after 1 year in the case of base steps, and 2 years for extended steps.)

c) Accelerated Step Advancement:

A Department Head may recommend to the City Manager early advancement of part or all of a basic pay or extended step based on outstanding performance.

Step advancement to each successive extended step shall begin on the start of the first pay period following the first day of the third year in step. However, the time shall be longer if Section 2.1 b and c apply. Such advancement shall be subject to a performance evaluation average of standard or better during the intervening time. If the performance average is less than standard, the two preceding performance evaluations must be standard or better before step advancement.

c) Evaluation

A below standard evaluation in either of the two rating periods directly before the date of step advancement shall delay the step advancement six months or until performance is standard or better. If an employee at the top extended step receives at some subsequent time a below standard performance rating, the department head with the City Manager's approval may reduce the employee's pay an amount not to exceed 2.5% until performance rating returns to standard or better.

d) Conversion from Longevity

An employee who is converting from longevity to this extended step plan shall never receive less than the percentage of longevity pay before conversion.

Performance evaluations shall be given every six months of employee service. A failure to provide a performance report within 30 days of the normal date shall be defined as standard for the purpose of this Section.

SECTION 2.3 RATE OF PAY ON PROMOTION

Upon promotion, any employee covered by this Agreement shall receive the lowest step in the new range which provides 5% increase in base pay (to exclude longevity and any other pay).

SECTION 2.4 REQUIREMENTS AS TO CONTINUITY OF SERVICE

Service requirements for advancement within the pay range, longevity pay, industrial accident leave, long term disability, holidays and vacation, annual leave, shall be based on continuous and total service as a regular employee.

- a) Leaves of absence without pay of 10 working days or less and leaves with pay shall not interrupt continuous service nor be deducted from total service.

- b) Leaves of absence without pay, those days in excess of 10 working days, except for extended military leave, shall be deducted in computing total service but shall not serve to interrupt continuous service.
- c) All unauthorized absences without leave shall be grounds for disciplinary action except where it can be shown that the employee could not respond due to a bona fide emergency (the employee shall still be docked for any time not worked). Any unauthorized leave in excess of 3 consecutive work days shall be grounds for discharge.

SECTION 2.5 METHODS OF COMPENSATION

Compensation shall be earned on an hourly basis.

Payments due shall be paid on a bi-weekly basis unless otherwise specified in this Agreement. By mutual consent of the parties, more frequent payments and other modifications can be made.

Base pay shall be considered as the regular rate of pay for a particular classification without consideration of any premiums, longevity or extraordinary compensation.

At such time as the City has the capability of paying compensation via electronic fund transfer, the City shall make such a plan available at no cost to the employees covered by this Agreement.

 - 2) Commencing with the eleventh year of service, 5% over and above base pay.
 - 3) Commencing with the sixteenth year, 7.5% over and above base pay.
 - 4) Commencing with the twenty-first year of service, 10% over and above base pay.
- b) Longevity pay advancements shall be effective on the first day of the first pay period following the required years of total service.

SECTION 3.3 PREMIUM PAY

- a) Employees assigned to work requiring specified duties which require skills and abilities not contemplated in the employee's normal assignment in the areas described in this Section shall receive premium pay only while so assigned. Such premium pay shall be for the hours actually worked in the assignment.
- b) Assignments and reassignments shall be made by the department head subject to the approval of the City Manager according to work load and skills required, and subject to any special provisions specified in this Section for any particular assignment.
- c) Removal of employees from premium pay for disciplinary or reasons of incompetence or abolishing of positions shall be preceded by notice to employee organization representatives with the intent of precluding unfair action.
- d) Designated Assignments:
 - 1) Any Administrative Secretary assigned to do ongoing independent administrative assignments to include such tasks as analysis, research, procedures, telephone survey work and budget preparation or control; or who are assigned the responsibility of managing an office clerical staff of 3 or more employees shall receive in addition to base pay up to 7% premium pay while so assigned. Such must be authorized through the budget process.

**SECTION 3.4 EDUCATIONAL INCENTIVE PROGRAM FOR
PRINCIPAL BUILDING INSPECTOR**

The Principal Building Inspector should seek to continue his/her education, improve his/her skills, and keep himself/herself informed of the state of the art of their specific skill area.

To assist in this aim, the following educational incentive program is established effective September 1, 1976:

a) ICBO Program:

- 1) Employees hired after July 8, 1976, who have obtained an ICBO certificate in one of the certified areas shall receive 1.5% over base pay as educational incentive premium. Currently employees who select this program shall receive 3%.
- 2) This shall be increased to 2.25% commencing with the 4th year and 3% commencing with the 7th year of total and continuous service.
- 3) The City will provide the initial \$50 test fee for the ICBO examination out of the training budget in the Personnel Department.
- 4) This educational incentive pay shall be increased 3/4 of a percent for each additional certificate held by an employee to a maximum of 6%. Each additional certificate must be related to the employee's normal assignments as well as those back-up assignments an employee might reasonably be expected to carry out.
- 5) Certificate must be maintained by the recertification provisions of the ICBO provided, however, that the department head with the approval of the City Manager may authorize a delay of updating the certificate on the basis of hardship.
- 6) Failure to maintain a certification will result in a loss of 3/4 of a percent for each year's delay of recertification.

- 7) If the ICBO certification program is discontinued, the representatives of Management and TPSA shall meet and confer to establish equivalent requirements for an internal certification program.

b) Unit Program:

- 1) Separate from the ICBO program, an employee may also seek educational incentive pay on the basis of \$8.64 per pay period per 9 units completed in certified programs of Building Inspection technology at a recognized trade school or building-related courses of college level (provided, however, that a C average is attained) or attending building seminars approved by the department head. An AS Degree in Building Inspection Technology will be paid on the basis of \$57.57 per pay period.
 - 2) To maintain this incentive, an employee must complete 3 additional units in building-related courses of college level or trade school with a C average or attend Building seminars approved by the department head each consecutive 3 years.
- c) Employees hired before July 8, 1976, who irrevocably select to participate in this program shall continue to receive longevity pay as follows:
- 1) 1% of base pay commencing with the 8th year of service.
 - 2) 3.5% of base pay commencing with the 12th year of service.
 - 3) 6% of base pay commencing with the 16th year of service.
 - 4) 8.5% of base pay commencing with the 21st year of service.

ARTICLE 4 - BENEFITS

SECTION 4.1 EMPLOYEE INSURANCE

a) Medical and Life Insurance

- 1) Effective with the September 1987 premium, the City shall pay \$21.00 per month per employee and eligible annuitants toward medical insurance. The \$21.00 employer contribution can only apply toward the health insurance premium of one of the authorized PERS health insurance plans. If the employee does not participate in the PERS Insurance Plan the \$21.00 cannot be used for any other purpose.

Employees hired before July 17, 1977, who selected before August 17, 1977, to reduce the amount of City Contribution by \$25.00 shall receive in lieu thereof a premium pay of 2%. Said premium shall apply to base pay only.

- 2) Active Employees: Effective with the August 1987 premium the City shall allocate \$175.51 per month per active employee for the purpose of deducting the payment of the employer's contribution to administrative and contingency fees as required by the PERS Insurance Plan. Permanent part-time employees covered by this Agreement shall receive \$72.26 per month. The payment of this fee is based on the percentage provided by PERS multiplied by the premium selected by the employee.

The remainder may be used by the employee for the balance payment of PERS approved Health Insurance Plan premiums, dental, life insurance or deferred compensation. The remainder may also be used by the employee for a vision plan, providing that the City is able to offer one that is acceptable to both parties. The employee does not need to participate in the PERS Health Insurance Plan to be eligible to use the allocation for either dental, life insurance, vision or the City's deferred compensation plan.

- 3) The City of Torrance joined the PERS Health Insurance to allow the Torrance Professional and Supervisory Association to participate in health programs. Both Management and TPSA agreed to join the program so long as it did not impact any of the other bargaining units within the City. In addition, cost to implement the Plan would be absorbed by TPSA. If the PERS Health Insurance Plan significantly alters from the current structure or if the administrative and contingency fees charged by PERS increase above 4% for the annuitant, the City reserves the right to withdraw from the PERS Health Insurance Plan.
- 4) The accumulated savings created by the active employee who does not participate in the PERS Insurance Plan will be reallocated within the Torrance Professional and Supervisory Association Memorandum of Understanding so long as it is for a one time only, non-recurring benefit. The amount shall be computed by crediting the number of employees not participating in the program in a given month multiplied by \$21.00. It will be based on the past year's savings. (The amount shall be credited at the time the new salary resolution is adopted each year, paid at the second year and July 1 each year thereafter.)
- 5) The City shall continue such health insurance premiums up to the amount as specified in this Section during a legitimate medical leave of absence for a period not to exceed 8 months of any employee covered by this Agreement.
- 6) TPSA shall indemnify and hold the City harmless from any and all claims, demands, suits or any other action from these insurance programs administered by the employee organization or the Employee Insurance Committee or its affiliates.

- 7) Any employee in this representation unit may elect to receive any unused balance of the City's Insurance Contribution as a special premium, paid once each month at the time of the insurance contribution. Such amount shall be reported as earned income for tax purposes, but shall not be deemed as earned income for PERS and Social Security purposes.

The representation unit understands that this benefit will be available only as long as it is authorized by current Internal Revenue Service regulations and as long as the City is not liable for the electing employee's tax liability.

It is the further understanding of the parties that amounts distributed to the employees as wages in this manner shall not be construed as earned income for PERS purposes. Any change in this assumption shall require a payment by the electing employee if both the employee and employer share any such liability from the inception of the program.

Employees wishing to take advantage of this option must sign a card available in the Payroll Division and submit the card to the Payroll Division prior to the normal payroll deadline for that month. This election may be made once each calendar year and is binding until the end of the calendar.

- 8) TPSA employees and Management may, in the course of their distribution of the 1987-89 package, elect to increase the amount of the insurance contribution.

b) Term Life

In addition, these employees shall be covered by a \$5,000 term life insurance policy provided and paid for by the City. In lieu of said policy, these employees may apply an amount equal to the group term life premium to group permanent life insurance premiums under the City plans.

c) Long Term Disability

Employees covered by this Agreement shall be insured by the City for long-term, non-job connected disability. Payments under said plan shall commence on the 31st calendar day after the 1st day of lost time and shall continue for a period of time not to exceed 1 month for each 2 months of service to a maximum of 1 year.

- 1) An employee requesting receipt of such benefits must meet the criteria and must request a medical leave of absence in a connection with a request to receive long-term disability and shall receive no benefits except as specified under subsection a) above.
- 2) Payments under said plan shall be equal to one-half base bi-weekly pay for employees hired on or after October 22, 1978.

- 3) Payments under said plan shall be equal to three-fourths base bi-weekly pay for employees hired before October 22, 1978. Said employees shall be deemed to have completed two years of service.
 - 4) Insurance warrants shall be issued for 28 calendar day periods or portions thereof and shall not entitle the employee to accrual of any other benefits. See Attachment A.
 - 5) The City and the employee group shall continue to discuss and explore a one standard LTD plan for all City employees.
 - 6) A plan is available which will allow individuals to return to work on a part time basis, on the approval of their attending physician, while still remaining on the LTD program part time. Full details of this can be found in Attachment A.
- d) Premium Continuance:
- The City will receive and forward to the health insurance carrier premiums of employees who retire after August 17, 1975 or dependents in case of death of the employee. Such payments shall be made only if authorized by the insurance plans and can continue only as long as the insured forwards in a timely manner to the City the necessary premium amount. The City shall not in any way be held responsible if the retiree or dependent fails to forward sufficient funds to pay such premium.

SECTION 4.2 RETIREMENT

Employees covered by this Agreement shall be covered by the Public Employees Retirement System (PERS).

- a) Subject to enabling State legislation and agreement of all miscellaneous employee groups, new employees as of August 23, 1981, shall be covered by the highest three years PERS retirement option.
- b) Effective July 10, 1983 the City shall pay 7.0% of the amount paid of the Public Employees Retirement System on behalf of each employee under the Lancaster Plan. These contributions shall at the time of termination belong to the employee.

SECTION 4.3 DEFERRED COMPENSATION

- a) Employees covered by this Agreement shall be eligible to participate in a City administered deferred compensation plan, when such a plan is approved by the IRS and the City's payroll system can put it into effect.

SECTION 4.4 INDUSTRIAL ACCIDENT

- a) In the event that an employee sustains an injury or illness arising out of and occurring in the course of his employment with the City, the employee shall be entitled to 3 months during the first 2 years of service, 6 months during the 3rd and 4th years of service, and up to 1 calendar year of industrial accident leave for industrial

injury at 90% of the regular salary rate. Said leave shall terminate upon return to regular work or when the injury is deemed permanent or stationary or at the expiration of the maximum time period listed in this Section.

- b) Employees who are on industrial accident leave with pay as a result of an industrial accident shall continue to accrue seniority, and shall receive holidays the same as if they had been present for duty, and accrue vacation and sick leave benefits as if they had been present for duty.
